MEMORANDUM FOR THE RECORD

SUBJECT: Watergate - Agency File Search

This is to certify that all the files in the immediate Office of the Deputy Director of Personnel for Recruitment and Placement have been reviewed to determine any association with individuals and organizations set out in the IG's 26 March 1974 memo. The files in this office include: subject matter, minority reports, statistical data, recruitment and placement studies, chronos, and the like. The search was negative.

In addition, I am not personally aware of any unrecorded information which would bear upon the Watergate matter.

MEMORANDUM: For the Record

SUBJECT : File review of Relationships and Organizations
Associated with "Watergate"

1. This is to certify that the files in the office of the Coordinator for Cooperative Programs have been reviewed to determine any association with the individuals and organizations identified in the Memorandum of 26 March from the Inspector General. The files checked included subject-matter, schools and chrono. Based on this review I am unaware of any association with the organizations and individuals mentioned in the IG's memorandum.

MEMORANDUM FOR: DD/Pers/R&P

SUBJECT : Review of SPD Files for Watergate
Related Material

On 17 April I provided each of the Branch Chiefs in SPD with a copy of the material which you gave me concerning Watergate subject matter. I advised the Branch Chiefs to evaluate all of their records holdings and to thoroughly examine any records which conceivably could have any data in it on the subject. Each Branch Chief now has certified to me that this review has been completed. In addition, I have evaluated the few records which I maintain. Except for the attached documents provided by the Chief, Military Personnel Branch, we have no material to submit to you on this subject.

The Division certifies that the review has taken place and that no additional data on this subject exists in our records.
